OFFICE FINANCIAL POLICIES

- If you have major dental care to be performed (\$200.00 or more), we ask that you pay 50% when the work is begun. The remainder is due within 90 days.
- For services with fees less than \$70.00, we ask that you pay at the time services are rendered.
- If you have dental insurance, we will submit the insurance claim to your company for you, or give you the complete insurance claim form to submit to your insurance company. We will gladly help you to receive the benefits due to you under your insurance policy by submitting claim forms and letters of explanation to the insurance companies when necessary. At the time of service, you are responsible for the portion of our services that insurance does not pay for.
- You will be billed a service charge of 2% per month for a delinquent unpaid account (90 days or more).
- For any services, you may choose to pay with Visa, Master card, Discover card, Check, or Cash.
